ITHACA, N Y., Jan. 13.—The unusual situation of a wrestler with an artificial limb was revealed to-day in the selection of A. W. Snedeker as a member of the Cornell University wrestling team.

Snedeker, a senior, whose home is on Staten Island, N. Y., suffered the amputation of his right leg below the knee in his boyhood. Despite this physical handicap he has developed into a skillful wrestler in the 145-pound class.
